POINTERS FOR PONZI DUPES

Federal Court Mails Instructions to Creditors as to Claims

Boston, Nov. 12.—Another chapter in the story of the deflation of the Ponzi "get-rich-quick" bubble was written yesterday, when Attorney General J. Weston Allen mailed to the 13,107 investors who had presented their unpaid notes at his office, legal forms upon which their claims against Charles Ponzi's Securities Exchange Company may be filed in the United States District Court. Similar forms were also mailed to the 819 note-holders who held gift-adorned certificates of the Old Colony Foreign Exchange Co., which rivaled Ponzi's promises of wealth.

In a letter enclosed with the form, the Attorney General informed the note-holders that in order to recover any amount to which they may be entitled as creditors in bankruptcy, it would be necessary for them to file proof of their claim in the United States District Court. The letter also named a long list of attorneys who have agreed to act as counsel for note-holders who are unable to employ counsel of their own.

The total liabilities on the unpaid notes of Ponzi presented to the Attorney General's office to date is \$5,338,675, while those of the Old Colony Foreign Exchange Company amount to \$367,643.

EX-KAISER ENJOYS LIFE

Doorn, Holland, Nov. 12.—Two years ago last night William Hohenzollern arrived at the Dutch frontier, a refugee Emperor. Yesterday he was leading in this little village the life of a Dutch country gentleman, doing just about as he pleases and going almost where he desires, about the countryside, so long as he stays within the territorial limits prescribed by the Dutch Government.

The Associated Press correspondent has been told by those in close touch with the former Emperor that during the past few months William has found much contentment in the life on his new estate here. He is said to feel certain that no further demands for his surrender will be made upon the Holland Government.

EPISCOPAL SCHOOL NOT TO BE OPENED AT ONCE

Fredericksburg, Va., Nov. 12.—Sale of the "Chatham" property will prevent the opening here of the Episcopal Boys' School as had been previously announced. The committee's recommendation that Fredericksburg be selected as the site for this school was contingent upon obtaining the Chatham property, which is now not available. Accordingly, at the meeting of the board of trustees of the church schools of the Episcopal Church, the decision was rendered in favor of placing the girls' school at Tappahannock, and an agricultural school for boys at Urbanna, and it being of the

distinctly agricultural type, will leave the situation open for Fredericksburg at some future date to be considered for a school of the type which was in the minds of the committee to place here.

The committee on location of church schools has recommended that a committee be appointed to investigate further the advisability of locating a school in this city.

U. S. MARINES IN HAITI BRING ORDER OUT OF CHAOS

Washington, Nov. 12.—Conditions in Haiti are much improved, according to a report by Rear Admiral Knapp, who is making an investi-

gation for the State Department. General satisfaction throughout the island had been noted by the officer, it was stated today, with the administrative work of American marines.

Admiral Knapp visited several towns in the neighborhood of bandit operations a year ago and found peace and quiet prevailing, the people contented and crops coming in, the statement said.

UNEMPLOYMENT SERIOUS PROBLEM IN FRANCE

Paris, Nov. 12.—Despite the statements of French industrial magnates that the slump in pro-

duction was caused by lack of labor, recent figures reveal that unemployment is becoming a serious problem. More than 125,000 workers are out of work as a result, it is alleged, of factories closing down rather than consent to a reduction in their prices.

The industries concerned are chiefly leather, skins and clothing. Immense stocks of these goods are being withheld from the market, it is charged, in order not to lower the prices.

HARDING TO CALL CONGRESS

He is Expected to Summon Extra Session March 14.
Washington, Nov. 12.—From

sources close to President-elect Harding it was learned last night that he intends to call the extra session of Congress to convene Monday, March 14.

The new Congress, in accordance with the prediction of Republican leaders here, will be in almost continuous session for the next two years. It will first take up revision of taxation legislation and readjustment of the tariff. What form consideration of the peace treaty will take has not been fully established, but this, too, will be among the first propositions tackled by the Senate of the Sixty-seventh Congress.
